## WHO IS THE PROGRAMME FOR?

The Level 3 Certificate in Dementia Care is aimed at those who are already working in care roles with individuals with dementia. This qualification offers an engaging programme where learners can extend their knowledge and understanding. The qualification is available for learners aged 19 and over.

## HOW LONG IS THE PROGRAMME?

The programme is delivered over a period of 5 months.

## HOW DOES IT WORK?

The programme is delivered entirely in the workplace on a one to one basis by your own dedicated assessor who meets with you face to face every month to provide individualised support. This includes teaching, training, assessment and regular reviews of your progress with you and your manager. In between visits learners will be expected to complete work to ensure progress is made as a result of attendance at workshops. The aim of the programme is for you to apply the new skills that you learn to improve your performance in the workplace.

## WHAT QUALIFICATIONS WILL I ACHIEVE AT THE END?

At the end of the programme you will achieve a Level 3 Certificate in Dementia Care.
