About t2 group

t2 group is a leading provider of Health and Social Care apprenticeships and diplomas, partnering with employers across England for over 30 years.

We help thousands of learners develop the knowledge, skills and confidence to build rewarding careers in Adult Care while supporting employers to deliver outstanding care.

- **30+ years' experience**
- Supporting learners across England
- **One-to-one coaching model**
- Personalised development for every learner
- **Programmes aligned to your organisation**
- Focused on your operational priorities
- Delivered one-to-one in the workplace (remotely)
- **Ofsted-Good provider**
- Quality-assured and nationally recognised

> *Learners make rapid progress in developing their care skills, with many showing significant improvements from their starting point in a very short space of time*

Why choose a diploma?

- Learn on the job with one-to-one support
- Apply your learning in the workplace from day one
- Achieve a nationally recognised qualification
- Fully or partly funded by the government Advanced Learner Loan

Delivery and funding

Delivery

This qualification is delivered online, by your own dedicated expert Health and Social Care Tutor.

Your Tutor will meet with you every month (online) to provide teaching and training to help you develop new knowledge and skills and guide you through the programme.

Each month you will also attend a workshop. Workshops give you the opportunity to explore your topic in more depth, take part in discussions, and apply your learning to real care situations.

They will on occasion visit you in your workplace to assess your competence by observing you applying the new skills. During your remote meetings, your tutor will help you develop a portfolio of evidence to prove you have met the requirements of the qualification.

Funding

Diplomas can be funded through a government Advanced Learner Loan from the Student Loans Company. An Advanced Learner Loan allows you to study now and repay the loan later:

- No upfront course fees
- Repayments start only if you earn **over £25,000 per year (the current repayment threshold)**
- Payments are based on your income
- Learn in your workplace
- Flexible one-to-one support
- Access to student discounts

Course Name	Full Cost	Duration
Level 3 Diploma in Adult Care	£2,882	10 months
Level 4 Diploma in Adult Care	£2,882	10 months
Level 5 Diploma in Leading and Managing an Adult Care Service	£4,670	16 months

If you earn more than £25,000 per year, you'll repay 9% of what you earn above £25,000. Repayments are taken automatically from your salary, just like tax.

Even if your income doesn't exceed £25,000 a year but is over £480 a week or £2,083 a month at any point in the year (e.g., if you work overtime) then a loan deduction will be made.

For example, if you're paid monthly and earn **£2,500 before tax** you'd **pay 9% of the difference** between what you earn and what the threshold is:

£2,500 - £2,083 = £417

9% of £417= £37.53

Your student loan repayment would be **£37.53 in that month.**

Please note: Loan repayments continue even if you withdraw from your chosen qualification.

Diploma eligibility

You may be eligible for a diploma if you:

- ✓ Are aged 19 or over
- ✓ Work within an adult care setting
- ✓ Have indefinite leave to remain in the UK
- ✓ Want to gain a professional qualification while working

Adult Care diplomas are funded through a government Advanced Learner Loan, provided by the Student Loans Company.
